May 20, 2021

Dear CRPS Families and Staff,

We look forward to welcoming back students in Grades K - 12 to face-to-face learning on May 25th, 2021. Thank you to parents, students and staff for working together to support student learning from home over the last two weeks.

As a reminder please refer and adhere to the following:

- Review the [AHS Daily Checklist](#) each day before school.
- If at any time you or a family member develop any symptoms of COVID-19, inform the school immediately, stay home and follow the steps on the [Guidance for Parents AHS website](#).
- Continue to refer to and follow the division and school return-to-school guidelines and look for updates posted on the CRPS [website](#).

We respectfully request that parents keep their children home from school if they know there has been a potential exposure to COVID-19, have symptoms, or if anyone in the family is awaiting test results. Students may return to school once the result of the potential exposure and/or test results are known to be negative.

We are grateful that the number of COVID-19 cases has dropped significantly in our Banff, Lake Louise and Canmore communities. We continue to watch the number of cases in Morley with concern for those families. **Please note, there will be no bus service provided by Nakoda Bus Lines for Morley students attending CRPS schools until further notice.**

We want to thank you for your ongoing support during a very challenging year. We will continue to remain diligent in keeping our schools safe for students and staff and we will adjust the CRPS Re-Entry Plan in accordance with any changes or new developments locally or provincially.

We want to thank you in advance for your continued cooperation. Together we will keep our schools a safe place for students and staff.

Sincerely,

Christopher MacPhee
Superintendent of Schools
